THE MARY PINE AWARD
Recognizing Elder Citizenship

This award will be presented at the 34th Annual Senior Enrichment Day to be held on Wednesday June 28, 2023 at the Big Rapids High School.

This award is designed to find and honor special citizens, age 55 and over, who use the gifts of a long and productive life to benefit Mecosta County in a positive manner. Special consideration will be given to those "unsung heroes" whose efforts and civic spirit may not ordinarily receive adequate recognition. We are looking for that unique person who acts behind the scenes or in a subtle way, avoiding publicity and notoriety.

Area residents may nominate persons deserving recognition by filling in this form and mailing it to:
